recording. Hello everyone. We are almost done with integrating the AI model. Though it has some loopholes but never mind. Where do I see myself in 5 years? Where do I see myself and hikers. Challenging project we worked on today. Oh my gosh. Using ginger in javascript was really challenging. Three elements couldn't solve that. And I don't know how it got fixed. Who fixed it? Don't know. Where do I see myself in five years? I just see dark with Thanks.
