

# Interview Analysis Report

User ID: 5  
Post Applied: ceo

Overall Rating: 3/5

## Transcription:

Okay so this is going to be at last take just for revision. Okay, our higher button is not working. Then removing shortlist is working right? I'm sure. Oh, yeah button. Not working, you're working. Okay, that is not working. Okay. Other everything is working. Then we have to create architecture model, something like that. And our text stack also we have to write. Yeah. Okay.

## Analysis Details:

Sentiment Score: 2/5  
Body Language Score: 100/100

## Improvement Timelines:

Avoid using ' Okay' as a filler (used 1 time); try pausing instead. (at 2.0400000000000005s) Avoid using ' so' as a filler (used 1 time); try pausing instead. (at 2.72s) Avoid using ' just' as a filler (used 1 time); try pausing instead. (at 6.72s) Avoid using ' yeah' as a filler (used 1 time); try pausing instead. (at 21.3s) Avoid using ' like' as a filler (used 1 time); try pausing instead. (at 37.94s) Your authenticity is powerful; consider balancing with positive reflections. (at 10.66s) Replace negative phrasing 'Not working, you're working.' with constructive language. (at 22.740000000000002s) Replace negative phrasing 'Okay, that is not working.' with constructive language. (at 25.18s)
